

What if you got to choose who gets vaccinated in Pima County?

Simulate your own vaccine distribution plan and learn whether health data *leads* you to the 'most efficient' solution or *misleads* you to an unfair solution.

Any UA student can participate! No prior experience or knowledge necessary.

Create your own modes of vaccine distribution and speak to health experts:-

- Jennie Mullins, MPH
 - Administrative Support Services Manager
 - Pima County Health Department
- Charles Geoffrion
 - Vice President
 - Pima County Board of Health
- Supervisor Adelita Grijalva
