What if you got to choose who gets vaccinated in Pima County?

Simulate your own vaccine distribution plan and learn whether health data leads you to the ‘most efficient’ solution or misleads you to an unfair solution.

Create your own modes of vaccine distribution and speak to health experts:

- Jennie Mullins, MPH
  - Administrative Support Services Manager
  - Pima County Health Department
- Charles Geoffrion
  - Vice President
  - Pima County Board of Health
- Supervisor Adelita Grijalva
  - District Five
  - Pima County Board of Supervisors

Any UA student can participate! No prior experience or knowledge necessary.
