## COMMUNITY MENTOR-APPRENTICE PROGRAM DESIGN

**ARESTA TSOSIE-PADDOCK**

**JUNE 17-19  
9 AM - 12 PM**

The practical workshop will provide an overview of the Mentor-Apprentice Program (MAP), a language learning paradigm. Its focus will include discussing community language goals, designing a curriculum tailored to the community, various formats of language transmission, logistics requirements, how to apply MAP in your community, and how MAP benefits the community and learners. The workshop is designed to provide a roadmap for implementing a Mentor-Apprentice Program. This event will be hybrid (in-person AND online).

*This workshop is presented by the West Native American Language Resource Center (WNALRC) and the American Indian Language Development Institute (AILDI) at the University of Arizona.*
